Ken,  
As indicated in my e-mail to you on October 2, 2007, we attempted to cash the check dated August 7, 2007 that you sent to us to apply to payment of principal and interest on the loans made to you to enable you to purchase Fram Holdings, Inc. stock. However, when our bank submitted the check to your bank, your bank indicated that a "stop payment" had been placed on the check. We assume that this was an error of some kind. Please let us know if you will remove the stop payment or if you will send a new check to pay the amounts due on the notes. If, in fact, you intentionally placed the stop payment on the check and do not intend to repay the notes at this time, we would appreciate your letting us know.

Thanks,  
Christopher
